### FOOD

Our children are provided with a balanced diet. The quality and quantity of food are given due to attention to ensure that children comfortably stay at school and learn well.

We thank our sponsors for the porridge program, Children in Homes get porridge at Break time and Day scholars at Lunch time. Our Porridge is made of Maize Flour, Soya and Sugar throughout the year. Thank you so much.

### GAMES AND SPORTS

We participated in football and netball and we were the second. Some of our pupils were chosen to represent our district because of that. Many of the pupils admired to join sports because of that good performance in sports this year.

## **GRADUATION AND THE SPEECH DAY**

The School conducted a graduation ceremony for top Class and Speech Day for the school on 28th November. Pupils got involved into various activities like dances, pomes, singing songs among others. We had speeches from the chairman P.T.A, Directors and the Head teacher. It was such a colourful day.

## MUSIC

Some very talented young pupils have been sighted out. This was observed during the inter planet competitions we had in second term and on speech day. These will help to boost our Pearl of Africa Choir.

### **CHALLENGES**

1. We have had a problem of garden tools that is the hoes, pangas and gumboots and enough seeds for sowing
2. We have no solar and this has been a problem since electricity has been on and off
3. Some teachers left to other schools
4. By the end of this year the swings at kindergarten were worn out
5. We need some money for necessities for an examination sitting centre number
6. By the end of term most window glass had broken

This was a good year because no staff member or pupil died and we had a few cases of pupils or staff who became sick.

As we close the year 2024, we are proud of our achievements and grateful for the support we have received. We look forward to continued success in the year to come.

Thank you and we wish you all a joyous festival season!
